

Black Belt EXCELLENCE

TEAMWORK

Where two or more people work together to achieve a common goal.

There are many different types of teams that we can belong to, from sports teams to organizations and clubs. You are all part of our karate team, and more specifically, you may be part of our Goal Achiever or Master Club teams. Think about how you contribute to the teams you are on and how you can use your strengths and talents to make them better. Also think about how your teams can help you in areas you want to improve. Remember, **Together Everybody Achieves More!** For this month's activity, fill out the lists and answer the questions.

“Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishment toward organizational objectives. It is the fuel that allows common people to attain uncommon results.” ~Andrew Carnegie

This month my son/daughter has demonstrated both at home and at school those qualities of Black Belt Excellence required for students seeking to earn belt advancement.
