

# Black Belt EXCELLENCE

## Attitude

As you take your journey towards Black Belt Excellence, you will learn the importance of having the right attitude, what the right attitude is, and how you can develop an even better attitude! This month you will be hearing stories and participating in activities that will excite you and allow you to enjoy developing the proper outlook in your training. You will learn some secrets of motivation and how to turn negative days into positive days. Your life is made up of a series of choices. The primary purpose of “Building Your Winning Attitude” is to help you understand how to make the choices that will allow you to accomplish great things all through your life.

Complete the worksheet on the back in full. Ask your parents for help if you don't understand something.

This month my son/daughter has demonstrated both at home and at school those qualities of Black Belt Excellence required for students seeking to earn belt advancement.
