

MARTIAL ARTS

We offer martial arts classes for a wide range of students. Starting as early as age 3-1/2 in our Tiny Tigers program. We also have many classes for children, teens, and adults. We train all levels including degrees of Black Belt. You are as young as you feel! We have had students well into their 60's achieve their Black Belts with us.

SPECIAL EVENTS

We literally have award winning events. There is always something exciting going on at Miori Martial Arts. We perform in shows, specialty seminars, demos, tournaments, benefits, and rank testing. We have different events many times on a weekly and monthly basis.

THE MASTERS DIFFERENCE

It is no wonder that training with Miori Martial Arts is so popular. Our unique method of instruction is unlike any other...anywhere. Our system incorporates traditional Chinese and Japanese martial arts techniques, taught with today's high standards. This will ensure that you learn the most effective, well rounded, practical art of self-defense.

MASTER INSTRUCTION

You will learn by certified Black belt Instructors, overseen by Master Instructors. This method gives you the highest quality training. Instructors upgrade and refine their skill level on a weekly basis.

ATTENTION TO DETAIL

As you train, you can count on the personal attention to detail that has made us famous. We want you to be the absolute best that you can be. We will be with you every step along the way to gain sharp focus, help you fine tune, and heighten your ability for any of our techniques.

OUR MISSION

It is our goal for each and every one of our students to become their best, and achieve the level of Black Belt.
